Subject: Looks Like We Are Moving

We bought a new house in San Marino and it looks like we will be moving just in time to celebrate Christmas in the new house. It is a couple miles from Lacey Park and the Huntington Library. Do you remember when we were small children and we used to go to Lacey Park to ride our bikes? Now all we have to do is rent our house.

I also spoke with Mama yesterday and she seemed fine. Hope you are doing well.

Love,

Sylvie
